March 12, 2020

Dear Parents/ Guardians:

As you are aware, due to the Corona virus pandemic, and on the recommendation of Eastern Highlands Health District, Chaplin Elementary School will be closed from Monday, March 16 through Friday, March 27. Please be advised that the April vacation break will continue as a vacation week for students. This is due to many vacation plans that parents and teachers have already made, in some cases with non-refundable air fare. The ten-day period of school closure starting Monday will be made up *after* the last day of school that was scheduled before this two-week emergency closure. We will then observe a 180 day school year. Thus, the adjusted last school day, barring further emergency closing days, will be Friday, June 26.

During the closure, there will no school activities. We will notify you of standardized test dates such as the SBAC test dates in the near future. We also wish to notify you that due to this emergency situation, breakfast and lunch will be served free of charge to all students during this closure period starting on Tuesday, March 17. The one location for “grab and go” breakfast and lunch will be the Parish Hill Cafeteria. The one window of time for pick-up is 8:00 to 9:30 a.m. Please understand that an adult has to accompany any student for pick-up.

These are very difficult times and as new information becomes available, we will continue to keep you informed.

Please don't hesitate call if you have any questions. Thank you for your understanding.

Sincerely,

Kenneth V. Henrici
Superintendent of Schools
