Handwriting

Letter of the day

b

b = dive down, swim up and over
around and bump the b

The handwriting practice section consists of five rows of four-letter guides. Each row contains four lowercase 'b' characters. Each 'b' is drawn in red and includes a black dot at the top of its vertical stem to indicate the starting point. The letters are positioned on a set of three horizontal lines: a solid top line, a dashed middle line, and a solid bottom line. The first row is followed by a blank set of three lines. The second row is followed by a set of three lines where the dashed middle line has an arrow pointing to the right. The third row is followed by a set of three lines where the dashed middle line has an arrow pointing to the right. The fourth row is followed by a set of three lines where the dashed middle line has an arrow pointing to the right. The fifth row is followed by a set of three lines where the dashed middle line has an arrow pointing to the right. The final row is followed by a blank set of three lines.

Handwriting

Letter of the day

C

c = magic c,

Handwriting practice lines for the letter 'C'. Each row consists of four sets of handwriting guides (top solid line, middle dashed line, bottom solid line). Each set contains a red uppercase 'C' with a black dot at its starting point on the middle dashed line. The first row has four 'C's. The second row has four 'C's. The third row has four 'C's. The fourth row has four 'C's. The fifth row has four 'C's. The sixth row has four 'C's. The seventh row has four 'C's. The eighth row has four 'C's. The ninth row has four 'C's. The tenth row has four 'C's. The eleventh row has four 'C's. The twelfth row has four 'C's. The thirteenth row has four 'C's. The fourteenth row has four 'C's. The fifteenth row has four 'C's. The sixteenth row has four 'C's. The seventeenth row has four 'C's. The eighteenth row has four 'C's. The nineteenth row has four 'C's. The twentieth row has four 'C's. The twenty-first row has four 'C's. The twenty-second row has four 'C's. The twenty-third row has four 'C's. The twenty-fourth row has four 'C's. The twenty-fifth row has four 'C's. The twenty-sixth row has four 'C's. The twenty-seventh row has four 'C's. The twenty-eighth row has four 'C's. The twenty-ninth row has four 'C's. The thirtieth row has four 'C's. The thirty-first row has four 'C's. The thirty-second row has four 'C's. The thirty-third row has four 'C's. The thirty-fourth row has four 'C's. The thirty-fifth row has four 'C's. The thirty-sixth row has four 'C's. The thirty-seventh row has four 'C's. The thirty-eighth row has four 'C's. The thirty-ninth row has four 'C's. The fortieth row has four 'C's. The forty-first row has four 'C's. The forty-second row has four 'C's. The forty-third row has four 'C's. The forty-fourth row has four 'C's. The forty-fifth row has four 'C's. The forty-sixth row has four 'C's. The forty-seventh row has four 'C's. The forty-eighth row has four 'C's. The forty-ninth row has four 'C's. The fiftieth row has four 'C's.

Handwriting

Letter of the day

d

a = magic c, up like a helicopter, up higher, back down, bump the line

The handwriting practice section consists of four rows of four-letter 'd' tracing exercises. Each row is set on a set of three horizontal lines: a solid top line, a dashed middle line, and a solid bottom line. Each letter 'd' is drawn in red and includes a small black dot on the dashed middle line to indicate the starting point for the circular part of the letter. The first row shows four 'd's. The second row shows four 'd's. The third row shows four 'd's. The fourth row shows four 'd's. Below the fourth row, there are two additional empty sets of three horizontal lines for independent practice.

Handwriting

Letter of the day

f

f = curve up then down and across

The handwriting practice section consists of five rows of four-lined guides (top, middle dashed, bottom, and baseline). Each row contains four lowercase 'f' characters in red. Each 'f' has a small black dot above the middle dashed line to indicate the starting point. The first row shows the letter with a red arrow indicating the stroke direction: starting at the dot, curving up to touch the top line, then curving down to touch the bottom line, and finally crossing the bottom line to the right. The subsequent four rows show the letter without the stroke direction arrow, intended for independent practice. The bottom two rows of the page are empty four-lined guides.

Handwriting

Letter of the day h

h = dive down, swim up and over and down

The page contains five rows of handwriting practice lines. Each row consists of a solid top line, a dashed middle line, and a solid bottom line. The first row contains four red lowercase 'h' characters, each with a black dot above it indicating the starting point. The second row contains four red lowercase 'h' characters, each with a black dot above it. The third row contains four red lowercase 'h' characters, each with a black dot above it. The fourth row contains four red lowercase 'h' characters, each with a black dot above it. The fifth row contains four red lowercase 'h' characters, each with a black dot above it. The remaining space in each row is left blank for independent practice.

Handwriting

Letter of the day

i

i = little line down, little dot

The page contains five sets of handwriting practice lines. Each set consists of a solid top line, a dashed middle line, and a solid bottom line. The first set shows four lowercase 'i's with a red vertical line and a red dot above the middle line, followed by four black dots on the middle line. The second set shows four lowercase 'i's with a red vertical line and a red dot above the middle line, followed by four black dots on the middle line. The third set shows four lowercase 'i's with a red vertical line and a red dot above the middle line, followed by four black dots on the middle line. The fourth set shows four lowercase 'i's with a red vertical line and a red dot above the middle line, followed by four black dots on the middle line. The fifth set shows four lowercase 'i's with a red vertical line and a red dot above the middle line, followed by four black dots on the middle line. The lines are spaced evenly down the page.

Handwriting

Letter of the day

j

i = little line down and curve, little dot

The handwriting practice section consists of four rows of four-letter guides. Each row contains four lowercase 'j' characters in red. Each 'j' has a small black dot above it on the dashed midline. The first row shows the 'j' characters on a set of three lines (top, dashed midline, bottom). The second row shows the 'j' characters on a set of four lines (top, dashed midline, middle, bottom), with a right-pointing arrow on the dashed midline. The third row shows the 'j' characters on a set of four lines (top, dashed midline, middle, bottom), with a right-pointing arrow on the dashed midline. The fourth row shows the 'j' characters on a set of four lines (top, dashed midline, middle, bottom), with a right-pointing arrow on the dashed midline. Below the fourth row, there are two additional empty sets of handwriting lines for independent practice.

Handwriting

Letter of the day **k** k = big line down, slide in and out

The page contains five rows of handwriting practice lines. Each row consists of a solid top line, a dashed middle line, and a solid bottom line. A black dot on the top line indicates the starting point for writing the letter. The first row shows four lowercase 'k's in red. The second row shows four uppercase 'K's in red. The third row shows four lowercase 'k's in red. The fourth row shows four uppercase 'K's in red. The fifth row shows four lowercase 'k's in red. The remaining lines in each row are blank for independent practice.

Handwriting

Letter of the day | I = big line down

The page contains five sets of handwriting practice lines. Each set consists of four horizontal lines: a solid top line, a dashed middle line, a solid bottom line, and a solid baseline. The first set of lines includes four vertical red lines, each starting from a black dot on the top line and extending down to the bottom line. The remaining four sets of lines are blank, with the top line containing a black dot for starting a letter.

Handwriting

Letter of the day m

m = dive down, swim up and over
and down, up and over and down

Handwriting practice lines for the letter 'm'. Each row consists of four horizontal lines: a top solid line, a middle dashed line, a bottom solid line, and a bottom-most dashed line. The letter 'm' is printed in red on the middle dashed line, with a black dot above it indicating the starting point. There are four 'm's in each row, and the first row is followed by three empty rows for practice.

Handwriting

Letter of the day n

n = dive down, swim up and over
and down

Handwriting practice lines for the letter 'n'. Each row consists of four red lowercase 'n' characters on a set of three horizontal lines (top solid, middle dashed, bottom solid). A black dot is placed on the middle dashed line to the right of each 'n' to indicate the starting point for the next stroke. The first row has four 'n's. The second row has four 'n's. The third row has four 'n's. The fourth row has four 'n's. The fifth row has four 'n's. Below the fifth row, there are two more sets of empty handwriting lines for independent practice.

Handwriting

Letter of the day

o = magic c, keep on going

Handwriting practice lines for the letter 'o'. Each row consists of a solid top line, a dashed middle line, and a solid bottom line. The first row contains four red circles, each with a black dot to its left on the dashed line. The second row contains four red circles, each with a black dot to its left on the dashed line. The third row contains four red circles, each with a black dot to its left on the dashed line. The fourth row contains four red circles, each with a black dot to its left on the dashed line. The fifth row contains four red circles, each with a black dot to its left on the dashed line. The sixth row contains four red circles, each with a black dot to its left on the dashed line. The seventh row contains four red circles, each with a black dot to its left on the dashed line. The eighth row contains four red circles, each with a black dot to its left on the dashed line. The ninth row contains four red circles, each with a black dot to its left on the dashed line. The tenth row contains four red circles, each with a black dot to its left on the dashed line. The eleventh row contains four red circles, each with a black dot to its left on the dashed line. The twelfth row contains four red circles, each with a black dot to its left on the dashed line. The thirteenth row contains four red circles, each with a black dot to its left on the dashed line. The fourteenth row contains four red circles, each with a black dot to its left on the dashed line. The fifteenth row contains four red circles, each with a black dot to its left on the dashed line. The sixteenth row contains four red circles, each with a black dot to its left on the dashed line. The seventeenth row contains four red circles, each with a black dot to its left on the dashed line. The eighteenth row contains four red circles, each with a black dot to its left on the dashed line. The nineteenth row contains four red circles, each with a black dot to its left on the dashed line. The twentieth row contains four red circles, each with a black dot to its left on the dashed line.

Handwriting

Letter of the day

p

p = dive down, swim up and over
around and bump the p

The page contains five rows of handwriting practice lines. Each row consists of a solid top line, a dashed middle line, and a solid bottom line. The first row contains four red lowercase 'p' characters, each with a black dot above it on the dashed line. The second row contains four red lowercase 'p' characters, each with a black dot above it on the dashed line. The third row contains four red lowercase 'p' characters, each with a black dot above it on the dashed line. The fourth row contains four red lowercase 'p' characters, each with a black dot above it on the dashed line. The fifth row contains four red lowercase 'p' characters, each with a black dot above it on the dashed line. The dashed lines in the second, third, fourth, and fifth rows have arrows pointing to the right, indicating the direction of the stroke.
