December 13, 2020

Dear Parents and Guardians,

On Saturday, December 12, Chaplin Elementary School was notified that a necessary and recent visitor to the Pre-K Readiness staff tested positive for coronavirus (COVID-19) later in the week. The affected person had close contact with a member of our staff. This staff member has been instructed to quarantine for 14 days.

In consultation with Eastern Highlands Health District, our investigation does not consider any other people, adults or children, as having close contact. However, due to certified staffing issues, we will be unable to maintain the Pre-K Readiness program for the remainder of December. As of Monday, December 14, the program will be closed until we return from the winter break on Monday, January 4.

We will continue to closely monitor this situation and work with Eastern Highlands Health District as well as provide you with any updates as they become available. Please do not hesitate to contact us with any questions or concerns you may have.

Please stay safe and enjoy the holiday season with your families!

Sincerely,

Kenneth V. Henrici
Superintendent

Kevin J Chavez
CES Principal

Betsy Woodward
School Nurse
