**Free Breakfast and Lunch for All Students**

Dear Parent or Guardian:

Great news for you and your children! All students at Chaplin Elementary School can now get a free healthy breakfast and lunch at school during the school year. What do you have to do?

- You do not need to do anything.
- You do not have to pay any money or fill out any forms.
- You do not need to send your child to school early for breakfast. Breakfast will be part of the school day.
- Please note, milk is included with all meals. If you choose to purchase it outside of a school meal, the cost is .50 cents.

Our school is now getting free meals for all students as part of the National School Lunch Program (NSLP) and School Breakfast Program (SBP) through a choice for schools called the Community Eligibility Provision (CEP). The CEP is a provision which allows districts with high free/reduced lunch participation to provide free breakfast and lunches to every student at Chaplin Elementary School. Again, you do not need to do anything; your child will be provided with a free breakfast and lunch. Also, please be assured that you can continue to provide breakfast and lunches to your child/children should you wish to do so.

We are extremely pleased to provide free meals to your child/children starting with the first day of the 2022-2023 school year!

If you have any questions, please call me at 860-455-9593

Sincerely,

Jessica Texera  
Food Service Director
