

ANTICIPATED OPENING:

Special Education Teacher

Chaplin Elementary School anticipates hiring a highly qualified Special Education Teacher who demonstrates skills necessary to provide a safe and optimal learning environment for students with special needs in grades pre-k through six. The teacher must have a strong understanding of student growth and developmental stages in order to effectively assess student needs and progress. He/she will work collaboratively as part of a multi-disciplinary team.

Responsibilities:

- Demonstrate knowledge of human growth and development
- Conduct formal/informal assessments of students
- Organize/maintain a system for accurate and complete record-keeping
- Design effective instruction to engage unique learners
- Assist staff with implementing student IEPs and BIPs
- Serve as a resource to parents and staff, liaison between home and school.
- Help students develop positive self-concept
- Facilitates independence of students as learners
- Effectively assess student needs and progress
- Effectively meet the needs of exceptional students
- Establish a positive learning environment
- Ability to supervise para-educators
- Ability to maintain data and make data-driven decisions

Skills / Abilities:

- Knowledge of current best-practices, theories and assessment methods
- Knowledge of differentiated instruction
- Ability to engage in self-reflection with regard to performance and professional growth
- Effective interpersonal, written and verbal communication skills.

Qualifications:

- A Bachelor's Degree or beyond in Special Education
- Connecticut Teaching Certificate in 165-Comprehensive Special Education, K-12

To apply for this position, please email Sarai Ortega, Administrative Assistant, at: sortega@parishill.org

In addition to our application, please include a cover letter, resume, and three recent letters of recommendation.

Chaplin Elementary School ensures equal employment and educational opportunities for its employees and students. All programs, services, courses of study, and activities are made available without regard to race, color, creed, national origin, sex, sexual orientation, or disability, in compliance with federal and state law.
