

Full-time Board-Certified Behavior Analyst (BCBA)

Chaplin Elementary School, a small learning environment in northeast Connecticut of approximately 155 students has an immediate opening for a full-time (1.0 FTE) Board Certified Behavior Analyst servicing grades PK-6 to complement and enhance its team.

Qualifications:

Must have BCBA license/certification

Trained in de-escalation and restraint (or willing to be trained)

Working knowledge of IDEA and CT special education regulations

Working knowledge of Section 504 of the Rehabilitation Act of 1973

Ability to serve as a member of a team

Job Responsibilities:

Conduct Functional Behavior Assessments (FBA), write reports, present at PPT meetings

Design Behavior Intervention Plans (BIPs) and associated data collection methods that can be carried out in the school setting

Model implementation of BIPs and data collection

Present data from BIPs at PPT meetings

Lead the school's SRBI-Behavior process

Support crisis management

Provide training to staff on classroom behavior management

Provide support/consultation to school's FLEX program

On-going consultation/collaboration with principal and Director of Special Education

Other responsibilities as directed by administration

Please send application, resume, copy of license/certification and three letters of reference to Andrew Skarzynski Superintendent, c/o Sarai Ortega, 304 Parish Hill Road, Chaplin, CT 06235. E-mail submissions to sortega@parishhill.org are strongly encouraged but not required. Accepting applications until filled.
